Special colours

The **Internorm RAL colour programme** offers a range of design options (facade quality). You can choose these colours for the exterior of the aluminium cladding and timber for the interior.

Please note that not every colour is available for every window or door.

Due to printing and manufacturing conditions, colour and structural deviations can occur between the illustrations and the original products.

Your **Internorm 1<sup>st</sup> window partner** will be able to show you the original colour samples.
